- Insulating
- Humidity regulating
- Vermin free
- Eco-friendly
- Healthy
- Space saving
- Flat and level
- Smooth finished
- Easy to install
- Completed quickly
- Favourably priced

Gypsum is one of the oldest, healthiest and most favourably priced building materials – and has been for thousands of years.

The gypsum block combines all these properties in a single, prefabricated element ready for installation.

We supply the technology and equipment for the manufacture of gypsum blocks in conformity with the respective industrial standards and serve you with our know-how and experience.
